Press Release n. 32

### FIM Europe and PMT extend partnership

FIM Europe is delighted to announce that PMT will continue the partnership as official tyre supplier of the Mini Road Racing European Championship.

After last year's success at TT Assen, the 2023 season is really promising and everything is set for the new challenge in Ortona, Italy.

Long-standing partner of the FIM Europe, PMT will continue to supply tyres with the same determination and passion, offering performing product and services to the riders.

#### Michal Sikora, FIM Europe President

*"It's with a great honour and excitement that we announce the extended partnership. PMT is a prestigious brand and it will fit perfectly with the spirit of the FIM Europe. Mini Road Racing is a very important discipline for our future champions and needs strong, reliable and iconic tyre to be associated with. This is exactly what PMT is. We feel very proud to continue this journey together, benefitting from its experience. I'm sure FIM Europe and PMT can grow together. I would like to thank Laura Pauselli that made this project to happen".*

*“It’s a pleasure to collaborate with the FIM Europe and the Italian Motorcycling Federation to discover and follow young talents. The Mini Road Racing European Championship has seen the birth of many champions who are currently competing in MotoGP and for us it’s a source of great pride to have contributed to their growth. We hope that 2023 season will bring us much satisfaction, hoping the future European champions can follow the footsteps of their idols and achieve their dreams of success”.*
