Press Release n. 45

**Cancellation of the last round
of the EMX65 / EMX85 European Championship - South East zone**

The FIM Europe together with the AMSS, the Auto-Moto Association of Serbia, regret to inform that the last round of the EMX65 / EMX85 European Championship - South East zone is officially cancelled.

The event was to take place on 17th-18th June at the motocross track of Globare, Serbia, but due the extremely unfavourable weather conditions and the heavy rain felt last weekend in the region it's impossible to guarantee the functionality of the track.

The FIM Europe takes the occasion to remember that the Semi-Final between SE and SW zones will take place on 1st-2nd July in Gazzane di Preseglie, Italy, while the Semi-Final between CE and NE zones is scheduled on 24th-25th June in Axel, in the Netherlands.

In mid-July the EMX65 / EMX85 European Championship Final will take place in Loket together with the MXGP of the Czech Republic.
