The FIM Europe, together with Infront Moto Racing and the FIM, would like to share an update to the 2023 Motocross European calendar.

The MXGP of Finland which is set to take place on July the 29th and 30th will see a change of venue as it will now take place in Vantaa. Unfortunately, the infrastructure is not able to receive many classes, so the EMX250 and EMX125 Presented by FMF Racing races are cancelled.

Additionally, the MXGP of Great Britain set in Matterley Basin and previously scheduled on October the 1st, will be brought forward to September the 23rd and 24th featuring the EMX250 and EMX125 Presented by FMF Racing classes line up for the final round of the 2023 season.
