The FIM Europe is glad to announce that the new FIM Europe Magazine issue #02 is now online with a Special Supplement!

Issue #02 is a review of the current sporting activities as all Championships and Cups are in the height of the season.

The Special Supplement celebrates the 27th edition of the FIM Europe Congress.

The FIM Europe family met from Thursday 29th June to Saturday 1st July in Zaragoza. For the first time Spain hosted this esteemed gathering, celebrating an important milestone as the Real Federación Motociclista Española was founded in the city 100 years ago. Congratulations to the Spanish organizers for all the efforts in making possible a great event.
